

Understanding and Registering at OregonBuys

OregonBuys:
One unified system — modernizing state procurement

On July 1, 2021, OregonBuys replaced the Oregon Procurement Information Network (ORPIN). This marked the completion of project Phase I. The project is now in the first wave of Phase II. This phase releases added procure-to-pay functionality to groups of state agencies in a series of three waves.

This training will share information on why you will want to register at Oregon Buys and how you will register. Researching NIGP codes—what applies to your business? We will also discuss the requirement for registering to invoice the State via OregonBuys.

There is no cost to attend, but registration is required.
